
AKE 1: Plenary Talk Steve Chu (PV I)

Time: Monday 8:30–9:15

Location: Audimax

Plenary Talk AKE 1.1 Mon 8:30 Audimax
Meeting the Energy Challenge — ●STEVE CHU — Stanford University
Science and technology has profoundly transformed the lives of much of

humanity. The industrial and agricultural revolutions are also changing the future destiny of the world. I will discuss the necessity, challenges, and opportunities in innovation and policy that will be needed to transition to a sustainable future.
